Re: *In Re: Acetaminophen – ASD/ADHD Products Liability Litigation*, No. 1:22-md-03043-DLC
(S.D.N.Y.)

Dear Judge Parker:

I write on behalf of the parties with respect to the settlement scheduling conference currently scheduled for January 4, 2024, Dkt. 1374. On December 18, 2023, Judge Cote issued a decision granting Defendants' motions under Federal Rule of Evidence 702 to exclude the general causation experts proffered by Plaintiffs. *See* Dkt. 1381. Judge Cote also directed the parties to meet and confer and advise the court via letter on January 12, 2024 as to how they propose to proceed in light of that decision. Given these developments, the parties do not believe a settlement scheduling conference would be productive at this time and therefore respectfully request that the January 4, 2024 settlement conference be adjourned *sine die*.

Respectfully Submitted,

/s/ Daniel M. Sullivan
